- **Viceværten holder ferie i uge 51 og 52.**
Henrik holder juleferie i uge 51 og 52, og er derfor først tilbage til at tage imod henvendelser d. 2/1-25.
- **Julen bringer meget affald med sig.**
Sørg derfor for at sortere affaldet rigtigt. Stort papaffald, samt store mængder af øvrigt affald, skal smides i storskrald ved siden af nr. 88.
Husk, at gavepapir skal i restaffald eller brændbart.
- **Juletræer skal smides ud i haveaffald.**
Husk, at når julen er omme, skal juletræer smides ud i haveaffald, som ligger overfor nr. 40.
- **Tag hensyn til dine naboer nytårsaften.**
Mange af os glæder os nok til flot fyrværkeri nytårsaften. Husk dog at tage hensyn til dine naboer samt naboers dyr. Husk derudover, at der ikke må fyres fyrværkeri af fra altanerne.

Glædelig jul og godt nytår – Bestyrelsen

- **The caretaker will be on holiday in the weeks 51 and 52.**
Henrik is on Christmas break in the weeks 51 and 52, and is therefore back to take inquiries on 2/1-25.
- **Christmas brings a lot of waste with it.**
Therefore, make sure to sort the waste correctly. Large cardboard waste must be thrown in bulk waste next to no. 88 as well as large amounts of other types of waste.
Remember that gift wrap must be thrown out as residual waste.
- **Christmas trees must be thrown out in garden waste.**
Remember that when Christmas is over, Christmas trees must be thrown out in garden waste, which is placed opposite no. 40.
- **Be considerate of your neighbors on New Year's Eve.**
Many of us are probably looking forward to beautiful fireworks on New Year's Eve. However, remember to take your neighbors and neighbors' animals into account.
In addition, remember that fireworks may not be set off from the balconies.
